

**MISSION STATEMENT OF THE  
CANADIAN PODIATRIC MEDICAL  
ASSOCIATION**

The Canadian Podiatric Medical Association is a national non-profit podiatric medical association. It's membership consist of 200 podiatrists (D.P.M.) who have received their podiatric education at an accredited institution in the U.S.A. Our mandate is to educate the public and to provide the highest standards of foot care in the country.

**ONTARIO PODIATRIC MEDICAL  
ASSOCIATION**

By increasing public awareness, the OPMA is committed to enhancing podiatric foot care throughout the province. Over the years the OPMA has been involved in public education forums, diabetic inservices and other demonstrations in order to take an active role on the health care team. Since many foot ailments have their origin in early childhood, the importance of early detection and preventative medicine has always been stressed.

**RIVER BIOMECHANICS**

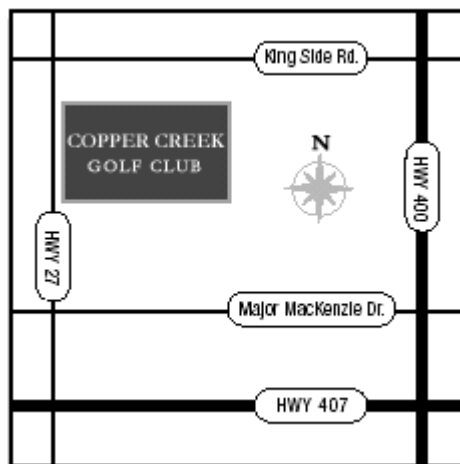

River Biomechanics, along with Integrity Orthotics Laboratory, are very pleased to continue our valued partnership with the O.P.M.A. Together we look forward to an exciting future. It is our pleasure to help to bring us all together, and we look forward to welcoming you on the 14th of May.
